

Back by popular demand...:

Senior Swim Team members will be offering private lessons to swimmers who are members of the Somerset Hills YMCA Swim Team. (Private Lessons for non-members can be made through the Somerset Hills YMCA Private Lesson Department.)

If your swimmer(s) would like to have a Senior Swimmer work on specific swimming skills: strokes, starts, turns, finishes, etc., please contact Peter. Please explain to him what skills you are looking to "improve," and he will speak with the practice coach, in determining which senior swimmer(s) to recommend.

Fees are \$35 per half hour and are payable by check to the SHYSTPO. All funds are to be used at the discretion of the swimmer to offset associated swimming fees.

Scheduling is the responsibility of the instructor and family. All pool schedules are posted at [Somersethillsymca.org](http://Somersethillsymca.org) website.

As always, please discuss any skills with any of our coaching staff. It is a conflict of interest to ask our coaching staff to give private lessons, or to offer to pay.
